Onezeero Search: Driving Vision from the Top

Our candidates are your future visionaries. Your pioneers. Your strategists.

Powered by the deep tech expertise of Onezeero, Onezeero Search pairs tech businesses with the exceptional senior talent of today and the natural leaders of tomorrow.

Harnessing four decades of experience in the tech industry, we place world-class executive talent into high-growth, ambitious and evolving organisations.

Agile to market shifts, attuned to customer need and entrenched in elite tech circles, Onezeero Search is a dynamic approach to acquiring vital skills at the highest level.

We deliver results by following our golden rules:

Stay aligned

As the trusted recruitment partner for some of the world's largest tech organisations, as well as countless SMEs, start-ups and business disrupters, we understand that no two companies are the same. We go beyond basic qualification calls to get under the skin of your organisation – its culture, objectives and structure. We then translate this into a tailored recruitment process, focused on characteristics that matter to you. We'll gauge cultural alignment and ensure that candidates understand you and your values. This means that each candidate we recommend is certified as a true match to your business.

Combine expertise with innovation

Onezeero Search delivery is led by senior directors with the knowledge, credibility and attitude to engage with executive candidates at their own level. Our tech vertical knowledge translates to trusted relationships, resulting in first access to talent on the move. We match this with the latest innovations in recruitment, including AI and machine learning, to help us reach talent that others can't.

Deliver client experience

With experience across all industries, business functions and disciplines, we offer authentic market expertise and flexibility when it comes to supporting clients build their optimal leadership team. Our experience has taught us the characteristics and skills that it takes to drive success at a senior level for businesses of all shapes and sizes. We'll advise, recommend and inform, while keeping you updated every step of the way.

Regenerate talent

We are constantly refreshing our connections to bring our clients the latest developments and track talent as it matures. Supported by the Onezeero recruitment team, we tap into talent at an early stage, building our relationships from grassroots all the way up to Founders, CxO and executive board level. Along the way, we pick up referrals, mix with alumni groups and develop new networks in diverse communities. We are more than a faded little black book of contacts.
